

REMARKS

Claim 7 has been cancelled without prejudice or disclaimer. New Claims 60-73 have been added to more particularly point out the invention.

New claims 60-73 patentably distinguish over the cited references, including the Toyonaga reference. For example, Toyonaga does not disclose or suggest the third switch of claim 60 or the array of the terminals as claimed in claim 67.

For the foregoing reasons it is believed that the subject application is now in condition for allowance and such allowance is respectfully solicited. If any issues remain outstanding it is requested that the Examiner call the undersigned at the Washington, D.C. telephone number (202) 293-7060 to discuss the steps necessary for placing the application in condition for allowance.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
